Tons of excitement around the beautifully elevated FLORAL FONT embroidery! Per your requests, we have expanded the base thread color fill to accommodate school color needs. Important to note that below snapshots may be a little "off" from the true thread color, so please reference your thread ring for EXACT color! Names and abbreviations of the threads used are noted next to photo. Also note: COLORS OF FLOWERS AND LEAVES REMAIN THE SAME AND SHOULD NOT BE CHANGED!

*NOTE: The original sample was sewn with WASHED INDIGO - WIN. This served as a NEUTRAL at first launch.*
