CHAMPION

THE PERFECT FIT

LOW CROWN FIT

This profile is our heritage fit and best suited as sporty hats or headwear optimized for a smaller head. The styles that will fall into this fit category are the Women's Garment Washed Twill and the Unstructured Trucker.

MID CROWN FIT

This fit profile will cover most of our line including all of the Men's Garment Washed Twill hats and the Pigment Dyed hat. This fit will sit more securely on the head right around the middle of the crown, without being overwhelmingly deep.
